March 23, 2004 LB 1005A, 1005

budget. And that is for program, as it's stated in here, Program 177, to aid in carrying out the provisions of LB 1005. There is also then appropriated \$90,000 from the Rural Health Care (sic) Professional Incentive Fund for 2004-05, and \$180,000 from the Rural Health Care (sic) Professional Incentive Fund for years 2005-2006 to aid in carrying out the provisions of that bill. Those are the two things. Like I said, it's a total, in 2004-05, of \$128,197; the legislative year 2005-2006, \$207,961. Like I said, it is Cash Funds, not General Funds. I would urge for the adoption of this amendment, please, or this bill.

SENATOR CUDABACK: Thank you, Senator Jensen. Mr. Clerk, an amendment on the desk.

CLERK: Mr. President, Senator Jensen would move to amend with AM3324. (Legislative Journal page 1188.)

SENATOR CUDABACK: Senator Jensen, to open on your amendment.

SENATOR JENSEN: Yes, thank you, Mr. President. This was a clerical mistake that we made in the bill. On page 2, line 16, strike "177" and insert "175." I'm sorry about that but it was just an error that we made in presentation of the bill. I'd urge for this adoption.

SENATOR CUDABACK: Thank you, Senator Jensen. You've heard the opening on AM3324, which is an amendment to LB 1005A. Open for discussion on that. Senator Chambers.

SENATOR CHAMBERS: Mr. President, members of the Legislature, I just want Senator Jensen to notice how I'm facilitating his activities this morning by supporting him. Thank you.

SENATOR CUDABACK: Thank you, Senator Chambers. Further discussion on the amendment offered by Senator Jensen to LB 1005A? Seeing none, Senator Jensen, did you...he does not wish to close. The question before the body is, shall AM3324 be adopted? All in favor vote aye, opposed nay. The question before the body is adoption of AM3324, which is an amendment to LB 1005A. Record please, Mr. Clerk.
